“ I send my condolences, love, and prayers to her family. May God give you guidance and strength in this time of sorrow. I am very heart broken to just find out of Barbara passing. I wondered why she stopped replying to my phone texts. I was a crew member of the USS Permit SSN-594. We were at Mare Island Naval Shipyard in Vallejo for refueling and overhaul in 1971. I met Barbara at the enlisted men's club on the base. We dated for a while, but racism put me in the brig for 21 days. I lost contact with her. We reconnected in 2019 on Facebook. She was the second female I ever kissed. She even had a picture of me with my first bass guitar taken in 1971. We exchanged gifts mother's day and father's day. We talked on our birthdays. I can't believe she's gone. We never went past kissing, my intentions were honorable. I met her brothers and her mom. I even met Project Soul/Con Funk Shun through her. She was an elegant and beautiful woman. Rest in peace with our Creator in Heaven my friend. I love and miss you. ❤️ 🙏🏻 🙏🏻
