“ I took care of you and watched your family abuse you while stealing my money and yours as well as your food. I saw the 3rd degree burns on your legs and the hole in your hand from your fingernail growing so long it grew into your hand. I cut the nail and I healed your hand and the hole closed. I saw how stiff your legs were from lack of rom being properly administered. I'm sorry they took you out of my care. Sorry I will see all of them in court soon. I hope your soul is at peace.
