“ So shocked to hear of your passing. It had been forever since I saw you but I will always remember the times we shared growing up and will have to find the “Dial My Heart Video” by The Boys that we made many years ago to get a laugh. I bet Tawny has it! 😊My deepest sympathy to the family! RIP Demitris

“ *Demitris, It's been many years since we used to play football on the lawn as kids but I can't ever forget when I tackled you during one of those games, on your front lawn, and it just so happened to also be your bday. Thank you for the childhood memory that still puts a smile on my face. Life is often unfair at times and this is one of those times. It is with a heavy heart that we have to say goodbye to you but your memory will live on. I know you will looking after your loved ones from a higher place and my blessings go to your family. RIP*
