“ *My husband worked under Captain Flowers, when he was a Commander on the USS Wasp...I became friends then, with Ms. Callie.*

She taught me how to make fried catfish, for Captain Flowers...just the way he liked it.

...they were both very special people, and I've thought of them both fondly ever since.

Last I'd spoken to Ms. Callie, was in San Diego...it's been so so long now, I wish I could have known them both for longer. 💕

...may they both rest in peace, together again. 🕯️🕯️🕯️🕯️

“ *Don was a well-respected leader and shipmate in our EM (Electricians Mate) shop (1967) on board the USS Borie DD-704. He and his wife Callie invited us to their house for a fried chicken dinner one evening. Fair winds and following seas Don.*
