“ Hello Family, you have my sincerest condolences. I grew up at Friendship Missionary Baptist Church and Rev. Wright was always very active in ministry. When we were young, she made sure we were paying attention during service, and definitely got us in line when we weren't. She was also gracious enough to supply the decorations for my wedding, 19 years ago. May God continue to bless and keep you all in His loving care! -

“ I met Mrs Wright when our family moved next door to her in El Campo Ct. She was pregnant with Wendy and my Mom was pregnant as well. That was a very long time ago. I remember going to her house and being mesmerized. It was always so immaculate and well decorated. It look like it should have been on a cover of a magazine. She seem to take pride in raising her sons and taking care of her home. She always seemed confident and strong. To Richard and Wendy you were blessed to have had a wonderful Mom that loved you both immensely. To the family, our condolences and may your memories and God Blessings sustain you during this time.

“ It saddened me to know Ms. Earline has physically left us. I met Ms. Earline just within the last year. The circumstances we met under were not good, but it made me feel good to know that I was the person to communicate the issues to her and assist her in any way possible in that particular situation. Ms. Earline was a total stranger to me. But from the instant I met her and began conversing with her, I knew she had a heart of gold. During my unexpected meeting at her home, I discovered her son Richard was my boss. I send my deepest prayers & condolences to the entire family. I am happy to know, God blessed me with a little moment in life with Ms. Earline...she will be missed!!!

“ When I was young, I spent a lot of time with my Aunt Earline. She pressed my hair; I watched her boys (for money when I got older!). Sometimes, she came over to hang with my mother, her sister Callie. I hope the sisters who went before her were in Heaven to greet her with plans for celestial mischief.

My deepest condolences to my cousin's Richard and Wendy. I remember she would let me drive her big white car with no accelerator pedal just the part that it attached to. We would drive over to White Front when it was in Pinole. She will be missed, but will join those that God called home before her. Rest Easy Auntie. Love Rose

“ Dear mom I just smile so big thinking about how Richard and I along with Jordan use to laugh when we go out to restaurants and you would give the waiters such a hard time and you would always come up with an excuse not to leave so you would order desert and take the longest time to eat it thanks for being in our lives and making us wait we will always celebrate and smile thinking of you with lots of love Bethany
