“ Hey Grandma, it took me till today and I still don't know how to put in words how much I will miss calling you on your bday and soon as you see my name you would answer cause you knew it was me, if you didn't answer for nobody else I knew once you seen my name you would answer and we would talk and laugh and you would say how much you loved me and I would tell you back. When you got sick I told my mom my grandma not going nowhere that's EVELYN and now tomorrow is reality that your really gone. One of my daughters carry your name as her middle name and she will never know where she got the name from a why. She for sure is EVELYN great grand jus like they say I act just like you so do she, but I'm proud to say IM YOUR GRANDDAUGHTER and I was blessed to have you in my life the years I had you and if I had a chance to do it all over again I would choose you as my grandma every time. I miss those days me and Mysh and Nette walking to the store for you and just being at your house playing your Nintendo an watching some good movies, those days I will never forget an for that I thank you. So today with tears as I write this I love you grandma and I will see you again.

*Love your granddaughter Tiff*

“ Grandma, you leaving me hurt me in ways I will never be able to explain. My heart has been ripped out of my body. I will never ever forget you and all the memories we shared. Everyday it's killing me that I can not just come pull up to your house anytime any hour any day. Today is Thanksgiving and mom made food that taste exactly as if you made it, I kid you not everything was perfect! Then reality hits you are really gone 💔 I love you so much, see you later 🕊️ mysh

“ Mommy I miss you so much right now it's been 17 days. I don't know how I'm going to make it the rest of my life without you. I was supposed to bring you to my house today for Thanksgiving. I'm sitting here looking at your empty seat on my couch. Im wishing we were watching one of your favorite movies right now. How we going to get through these holidays without you. This is so hard I want to call you every morning, I want to come over and watch Let's make a deal & price is right. I want to take you to get your favorite sandwich from Subway. I know those ladies miss you lol. One thing for sure, you left us with a lot of great memories. One min I'm laughing the next minute I'm crying. I don't even believe I'm writing this. I love you forever. Rest in peace Mommy
