“ Hey Jazz, it's mom. I just want you to know how much I love and miss you. Your babies miss you so much. So much has happened in the last 7 mos. Life is not the same without you. I still expect to see you walk through the door, “I smell it, what are you cooking” or even your daily phone call. I miss those days. I am trying to cope with you not being here. Life has thrown me a curve ball and I am trying to deal with your absence. I know you are in a better place now. Rest in Heaven baby girl, Rest in Heaven.

*I made you a promise that I will seek justice for you. I am keeping my word, it's taking some time, just know I haven't given up on you as I. Ever will. I know you are in a better place. Rest in Heaven baby girl, I got your back.*
