“ I can't believe that Jeff passed away. I just found out and I'm heart broken. I had the honor of working with him at Cooley and Riolo Mortuary for many years. May God be with his sweet family.

“ Jeff, I've known you since 1987 I grew up at Cooley & Riolo Mortuary. You watched me grow into the man in the business I am today. The stories, the memories, Where do I start? The laugh you had the only laugh that needed its own patent, trademark. The times you had me cutting wood at the crib, to eating BBQ, to trying a mayonnaise cake. I just don't know where to start. But all the memories are good, frustrating and funny. You truly are going to be missed. Thank God I accepted your request even though you never really were a social media person. It was an honor to see it. Rest on Big Bruah you deserve it.. It was an honor to have worked with you for 7 good years and the friendship stayed strong for years.
