“*Kristin was a classmate and fellow boarder at Dominican Upper School in San Rafael. Kindness and compassion are two qualities that come immediately to mind. And she was one of the smartest girls in our class. I always turned to Kristin for help in Chemistry. I suspect she resides with the angels now and is blessing us all. Sending heartfelt sympathy to Kristin’s family and friends. Love, Sandy Fly Wong*

“*Kristen was always in the singing groups we shared at Dominican Convent Upper School. She was always so nice to me. She thought I would sing professionally. So, I honor her by singing everywhere. It's my birthday today. I just found out. I was stunned. Now I am glad she is in heaven. I know this for a fact!* ❤️
