“ *I have known Sharelle for many years now. We used to work together, but then our relationship grew into so much more. I know everyone says she was their best friend, add me to the list because I was "bestie" too. Sharelle absolutely had the biggest heart, she was always happy, positive, and full of love. This woman would greet you with the biggest hugs! She had the purest heart and I have never met anyone like her. She loved her family, loved people, and had such a beautiful spirit. Even though I moved away and we lost touch a bit, whenever we did connect, there was no love lost. It's hard to believe that she is gone...I'm grateful for the opportunity to have had a friend like her. She is one in a million. 🧡 Rest in peace my friend.*

“ First and foremost she was my best friend before she became my sister in law. When we first met we instantly got super close and we became so close. We would talk everyday. She was a great friend and she always smiled and we always had a great time when we would meet up for our girls day if it was just to go and eat or shopping we would enjoy our time together.. I’m really really going to miss spending time or even talking on the phone.. i love you sharelle and I’m going to miss you dearly.. you will always be in my heart ❤️
