“ *NIKI....I am going to miss you so much. I am happy you're at peace and with the one who started it 🙏. I think of all the silly things we used to say and do, driving up and down Ohio st. We are blessed and continued to be blessed with your priceless Spirit and memories. So happy we found each other. God bless your family and friends during this hard time.
Love you forever. To the moon and back ❤️*

I'm gonna miss her. She would tell me about you all the time. She was a sweet angel. And her spirit will live on forever
