“ Roy and I have been neighbor for over 29 years. He was like a brother to me. Anything I needed or he needed we were right there for one another. Roy was intelligent he would read his bible an three newspapers each day (Smile). He was inspirational, kindhearted, respectful, and the list goes on he was one of the best person I have ever known. He will be missed but the memories of him will forever remain in my heart. To the family my condolences remember God wants only the best. Please keep in touch.

*Dearnellpowell I've known Roy for a very long time. Not sure how old I was. Roy always was a friend of the family. I never forget talking to Roy about the Temptations. He was from Alabama. He convinced me that he was a Temptation replacement he had all the moves he knew the songs. He knew the name of each member of the group. He had the moves the turn around the slide of the leg back into the Temptation walk. I often reminded him of that and we used to laugh. If there was a Temptation concert he was there . Roy was a good man a good friend I always enjoyed seeing him. He loved to take pictures. Rest in peace my brother. I'm going to miss you.*
