Mom was in Rehab at the Windsor facility in Vallejo. They had a Silly Hat Party for all the patients and their families. I convinced Mom to go down and we partied together. She enjoyed being around other people when she could, always a lot of fun!

“ Mom enjoyed socializing and had a servant’s heart. She seemed happiest when she was able to be with others and helping others in some way. When in good health, she was always busy, if not with others, then working on sewing or craft projects, working jigsaw puzzles or various types of puzzle books. She also enjoyed playing table games with her adult children. She was loved & will be missed. ❤️❤️❤️❤️❤️
