“ *Ebony this world will never be the same without you. You have left your footprint with so many people here including me. You and your family have been a part of my life for a short 15 years when I met Ms Gilda and got to know you and the person you grew to be. You grew into a wonderful mom to your son showing everyone that he was your whole entire world and that is a legacy he will know through all of us! I will miss so much about you but I know you are always with us Till we meet again You will be in my thoughts and my heart*
