“ My brother! I will forever cherish our years getting to know more about each other and the stories shared about our Dad. We were his only two biological children and he was proud to let everyone know about us. I will remember your reference to our Dad as our “Pappy!” He was in our lives every step of the way and I am so proud of us. Rest well, you are so deserving. I’m regret that we didn’t meet back in Detroit again. Take a seat and hold on to those Pearly Gates. Luv & Hugs Kathy Lynne
